

SIEFFa® The Andean Living

CATALOGUE
SERIES ONE

sіегга°

A purpose-led lifestyle brand that connects people through modern design and traditional methods. Everything we curate is handmade and produced in collaboration with artisans —people in Andean communities making pieces that bring meaning and purpose to your home.

Born in the Andes

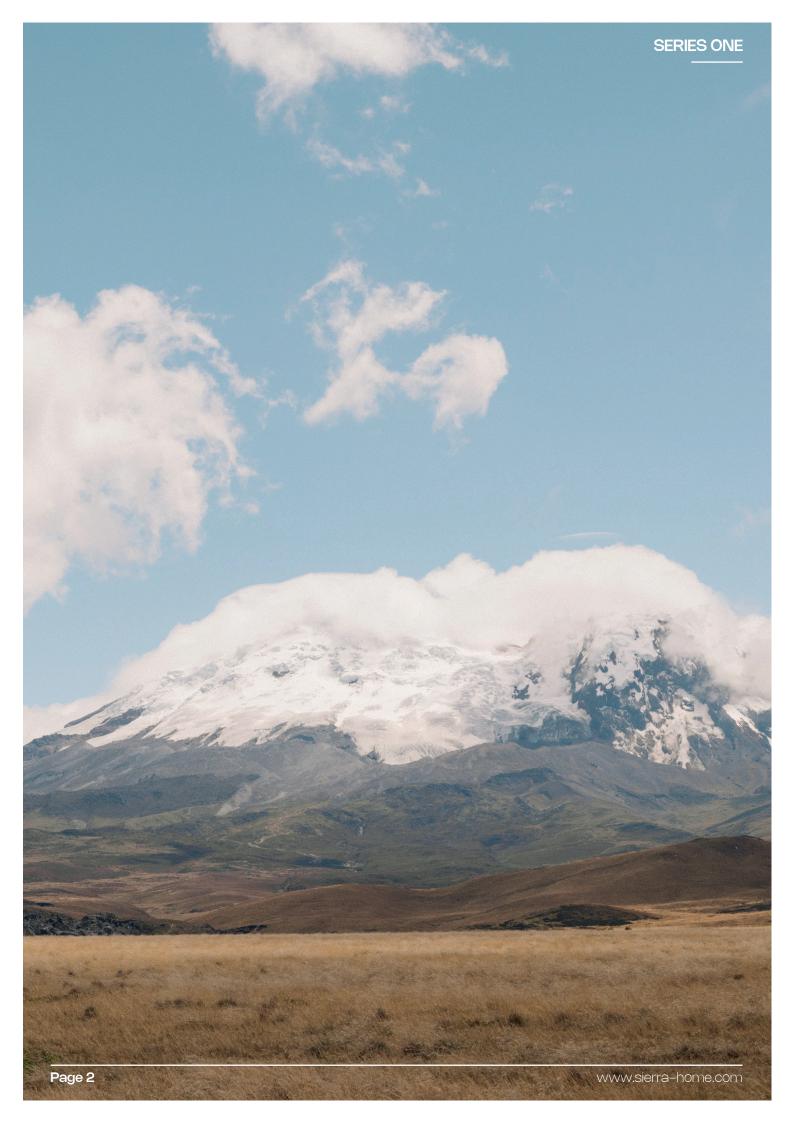

Handcrafted by Artisans

Curated by Designers

Sustainable Materials

We present our SERIES ONE

A unique collection of blankets and cushions, carefully handcrafted by artisans in the Andes. The pieces have a timeless design and a premium touch, result hours of hard work by artistof sierra in Andean communities over 3.000 meters above sea level.

The series puts alpaca, one of the lightest, softest and warmest natural fibers available, as the protagonist. More responsible materials such as wool fiber and RECYCLED poliamide are also part of the series.
